

M Keyza Alfarizzi

Data/Database Specialist & Web Developer

Jambi, Jambi, Indonesia • keyzaalfarizzi@gmail.com • 123-456-7890 • www.linkedin.com/in/alfaaa

Aspiring technology professional with hands-on experience in AI, data science, and IT management, leveraging international certifications and real-world projects to drive systematic, ethical, and business-aligned data solutions. Adept at bridging analytical insight and creative communication to support impactful digital transformation.

PROFESSIONAL EXPERIENCE

Data Specialist | PT. Danapaint Indonesia | Jambi, Indonesia

Agu 2025–Nov 2025

- Compiled comprehensive sales transaction records from multiple sales representatives, supporting data-driven planning and evaluation.
- Tracked and documented the performance of sales personnel, providing quantitative insights to leadership for incentive and scheduling decisions.
- Coordinated with team leaders to set work schedules and shifts, improving operational consistency and efficiency.
- Produced daily sales data summaries for leadership review, enabling prompt analysis of sales trends.

Data Management Analyst | PT Mengniu Dairy Indonesia (Yoyic) | Jambi, Jambi, Indonesia

Jan 2025–Juni 2025

- Recorded and tracked sales income and expenditures for Yoyic products, supporting ongoing financial reporting and operational analysis.
- Maintained staff records and coordinated with the operations team to streamline shift scheduling for optimal resource allocation.
- Assisted with daily information management, improving the accuracy and reliability of transaction and HR data integration.
- Ensured timely, accurate capture of field sales data to enable actionable business insights.

Certified Profesional Program | MIT Professional Education | Massachusetts, Amerika Serikat

Agu 2025–Oktober 2025

- Enrolled in foundational modules covering artificial intelligence and machine learning concepts, deepening domain expertise.
- Gained practical exposure to AI's workplace applications, complementing academic learning with industry insights.

Web Designing | Polda Jambi | Jambi, Indonesia

Jun 2024–Januari 2025

- Developed and maintained a dynamic news portal for the Jambi Regional Police, providing up-to-date information on official activities to stakeholders and the public.
- Added, curated, and managed news content, ensuring timely, accurate, and relevant updates for organizational transparency.
- Worked closely with cross-functional staff to capture key events, clarify content requirements, and align website communications with official protocols.

Administrator Database | Polda Jambi | Jambi, Indonesia

Jan 2024–Juni 2024

- Processed and archived critical administrative data, maintaining meticulous records for official operations.
- Validated and entered essential information into the police database to minimize risk of data loss from paper-based records.
- Collaborated with administrative staff to ensure documents met regulatory and operational requirements, optimizing internal workflow.
- Supported secure data handling and accuracy for departmental reporting and decision-making.
